Bigger! Fatter! Thicker! Fat As Butter returns bigger and thicker in 2009.

Set to spreading the best in Aussie live music all over Newcastle fans, on **Sunday October 25**.

After last year's sold out debut, Fat As Butter is going large for its second installment now with even more choice grade acts at the new venue, **Wickham Park**. Normally the hallowed home of Newcastle Cricket at that time of year, Fat as Butter is planting the festival flag on the green (just for the day). To steal a quote 'We're rocking the suburbs'.

Fat as Butter II features a rare line-up of Australia's best rock, hip hop and dance acts across 3 massive stages, proving once again to be the hottest event on the Newcastle calendar.

Topping the bill are hip hop maestros {and new hottest 100 of all time legends} **HILLTOP HOODS**, rock n roll champions, **GRINSPOON** {blazing thru festival favourites and their new album}, those flapping chaps from the west, **BIRDS OF TOKYO**, festival sweethearts **EVERMORE**, and stacks more have already signed up to get fat!

Other acts proving that too much fat and butter is never enough include, **Bob Evans, Bluejuice, Urthboy, Phrase, Snob Scrilla, True Live, Cassette Kids, Philadelphia Grand Jury, Regular John, Lost Valentinos, Astronomy Class**. Plus more yet to be announced!

Keep your eyes and ears peeled for more updates - in the meantime, head to www.fatasbutter.com.au for further details, including how to get your hands on exclusive VIP Tickets.

3 STAGES – 33 1/3% MORE FAT. Look forward to feasting with you in October. Spread it!
